NOT QUITE FINISHED

For when you're not quite finished we present some of our favourite commas and full stops. From the fruity jolt of an eau de vie fruit brandy, the smokiness of rounded, oaked and aged whiskies or crisp, sweet, cold pudding wine we've choices a-plenty to keep the fires burning.

All are proper 50ml measures unless otherwise stated.

Glenfiddich, 12 Year Old Special Reserve, Scotland

The world's most awarded single malt, initially matured in Oloroso Sherry and Bourbon casks before long finishing in oak barrels.

7

Kilchoman Machir Bay, Islay, Scotland

Scotland's only family-owned, independent, single farm single malt and founded by our very good friends. A classic peaty Islay dram.

8.5

Courvoisier VSOP, Cognac, France

A blend of Grande and Petite Champagne cognacs with a warm, nutty finish. This VSOP (Very Superior Old Pale) is the only cognac to have been awarded the highest quality award, the *Prestige de la France*.

9

Somerset Royal Cider Brandy, England

Aged in oak barrels in Somerset's apple country and honored to be the only spirit on the menu at Prince Harry & Megan Markel's royal wedding.

6.5

Royal Tokaji, Late Harvest, Hungary

A light, citrus-led pudding wine pressed from a blend of Hungarian and Muscat grapes left long on the vines to boost their sweetness.

5 (50ml)
28 (bottle)

Grappa, Marolo di Moscato, Italy

To "cut through the fat." Accurate, though also a delicious excuse. Distilled from the pomace of Moscato d'Asti grapes.

6

Eau de Vie, Poire Grande Reserve, Alsace, France

A clear fruit brandy distilled in my wife's village in Alsace.
